First, for previously submitted (marked provisional) petition for APN 4226008017, Gerard A. Bill is a Member of Windward Avenue Associates.
(He wrote "Owner," so you had asked for his relationship to Windward Avenue Associates.)

Today's attached petitions require some explanation, so please also confirm if these are accepted or if you need more information. I followed up on the first two already knowing you'd ask :)

- Merthin LLC - fully executed - John Peed lists himself as Owner, but his official title would be Officer.
- Roley LLC - fully executed - John Peed lists himself as Owner, but his official title would be Registered Agent and Principal.
- Murez, James - fully executed - the two APNs on this petition are not in your tally, because they recently replaced APN 4286012041

Former APN 4286012041 has been split into/replaced by two new APNs (4286012044 & 4286012045.) I sent the revised database to Garen & Dennis about 2 weeks ago when we discovered it. It does not have a big impact on the budget/assessments. The original APN had an assessment of \$2,770.98 and the two new APNs combined have an assessment of \$2,465.54.
